SHERIDAN'S definitely has historical appeal. It began as "The Lakeview Inn" established in 1911 by owner Frank Sztukowski. In 1920, the old wooden structure was replaced and renamed "The Sheridan Hotel" and "Palm Gardens" tavern. In 1968 Sheridan's was remodeled and renamed "The Fountain Blue" restaurant by Norbert, the youngest of the nineteen Sztukowski children. From the beginning, the hotel and restaurant was owned and operated by the Sztukowski family. Today, the name "Sheridan's" has been resurrected by proud new owners **Lee Barczak** and **Jane Schilz**. They have completely renovated the entire building to create this stylish boutique hotel and American bistro for all to enjoy!

SHERIDAN'S is an art nouveau-style American bistro offering an extensive wine list, tempting desserts and rich Alterra® coffee in an elegant yet casual atmosphere. Open daily for breakfast and lunch from 7am - 3pm and serving distinctive gourmet dinner selections Thursday through Saturday nights. Featuring live entertainment on most Saturday nights. Closed on Mondays.

SHERIDAN HOUSE is a comfortable boutique hotel featuring twelve guestrooms named and styled after famed wine making regions. Quality furnishings abound including beautiful pieces by Thomasville®, Wesley Allen®, Ethan Allen® and Palecek®. Complimentary Alterra® Coffee, tea and filtered water is always available to guests. A comfortable retreat area of Sheridan House includes a charming courtyard where guests can simply relax or dine alfresco around a "Ring of Fire" fountain and natural wood burning fire pit. Take advantage of the fully equipped fitness room or go for a lakeshore stroll.
